

P.S. GARCIA

PINOT NOIR 2019

MALLECO

This wine comes from Sol de Sol vineyard in Traiguén, where vines grow on top of red clay soil, from volcanic origin, deep, rich in organic material, and a great moisture retention. Vines find all the elements for a great development and a balanced production of high quality grapes.

Due to its soil and climate conditions, this is a unique vineyard that allows developing the variety's characteristic expression, giving life to a wine that faithfully mirrors the landscape in which its vines grow. This Pinot Noir is faint in color, with spicy notes and remarkable red fruits on the nose. Its light body and pleasant acidity make it a fresh wine, very easy to drink.

VARIETAL COMPOSITION

100% Pinot Noir / Clon 777 and Masal selection

ANALYSIS

Alcohol: 14.0%

pH 3.76

Tartaric acidity: 4,76g/L

Residual sugar: 2,79g/L

AGEING: 12 months in French oak barrels

PRODUCTION: 3.729 bottles

BOTTLING DATE: May 19th 2021

RELEASE DATE: July 2021
